INDEPENDENT AUDITOR'S REPORT

To the Members.

Canadian Roots Exchange/ Échanges Racines Canadiennes

We have audited the accompanying financial statements of Canadian Roots Exchange/ Échanges Racines Canadiennes, which comprise the statement of financial position as at March 31, 2016, and the statements of operations and changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the organization derives revenue from donations and fundraising, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, verification of this revenue was limited to the amounts recorded in the records of the organization, and we were not able to determine whether any adjustments might be necessary to donation and fundraising revenue, excess of revenue over expenses for the year, assets and net assets.

Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Canadian Roots Exchange/Échanges Racines Canadiannes as at March 31, 2016, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

NOTES TO THE FINANCIAL STATEMENTS

MARCH 31, 2016

Canadian Roots Exchange/ Échanges Racines Canadiennes (the organization) was incorporated without share capital under the Canada Corporations Act and was continued under the Canada Not-for-Profit Corporations Act. The organization is exempt from income tax in Canada as a registered charitable organization under the Income Tax Act (Canada).

The Canadian Roots Exchange aims to bring together Indigenous and non-Indigenous youth through Indigenous based leadership, learning and reconciliation experiences for youth.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Management is responsible for the preparation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations. Outlined below are those policies considered particularly significant:

Revenue recognition

The principal sources of revenue and recognition of these revenues for financial statement purposes are as follows:

Contributions

The organization follows the deferral method of revenue recognition for contributions.

Externally restricted contributions, including grants and restricted donations, related to current expenses are recognized as revenue in the current year. Externally restricted contributions received in the year for expenses to be incurred in the following year are recorded as deferred contributions.

Unrestricted contributions, including donations and amounts received from fundraising, is recorded when received.

Donated materials and services

Contributed rent, travel and accommodation is recognized as revenue and as an expense in the same period. Volunteers contribute their time to assist the organization in delivering its services. Because of the difficulty of determining the fair value, contributed services are not recognized in the financial statements.

Earned income

Earned income, which includes revenue from conference fees, workshops and participant fees is recognized in the period that services are delivered.

Investment income

Interest on marketable securities is recognized over the terms of these investments.

2. FINANCIAL INSTRUMENTS AND RELATED FINANCIAL RISKS

The organization's financial instruments include cash, guaranteed investment certificates, amounts receivable, accounts payable and accrued liabilities. Amounts receivable, accounts payable and accrued liabilities are initially recorded at fair value and are subsequently recorded net of any provisions for impairment in value. Guaranteed investment certificates at cost plus accrued interest income.

It is management's opinion that the organization's financial instruments are not exposed to significant financial risks and that existing cash balances and cash flows generated from operations are sufficient to meet the organization's financial liabilities. Fluctuations in market interest rates do not affect future cash flows from the organization's guaranteed investment certificates.

NOTES TO THE FINANCIAL STATEMENTS
